

Kita Familycare Gellert

The Familycare Gellert daycare center is located in the beautiful residential area of Gellert, close to both Basel city center and the "Park im Grünen" recreation area (formerly "Grün 80"). It is located on the ground floor of the "City Gates", in a quiet side street. Bright, friendly rooms with many floor-to-ceiling windows welcome the children and offer them plenty of space for age-appropriate development. A large garden with its own playground rounds off the space on offer. The Familycare Gellert daycare center was awarded both the "Burzelbaum-Kita" and the "Fourchette verte - Ama terra" labels in the context of projects for more exercise and healthy nutrition. Like all Familycare Basel Kita, the Familycare Gellert Kita and its entire staff stand for high quality pedagogical values and look after the children according to recognized educational principles (refer to [pedagogical concept](#) in German).

In the morning, the children must be brought to the daycare center by 09:00 a.m. at the latest. In case of absence of the child, the care team must be informed by telephone by 08:30 a.m. Pick-up must be no later than ten minutes before the end of booked care.

Acclimatization

The Familycare Basel daycare centers comply with the Berlin "Infans" familiarization model for the settling-in of new children. The child, as well as the parents, slowly get accustomed to the pedagogical caregivers, the structures and the initially unfamiliar environment. The child builds a secure bond with the new caregiver and can thus feel safe and at ease in the daycare center. Familiarization is important in order to build trust between the parents and the caregiver; it promotes good cooperation, creates transparency and openness.

Daily schedule

The day in the Familycare Basel daycare centers begins with the arrival of the children and the morning exchange with their parents.

Important components of everyday life in the daycare centers are:

- Recurring rituals
- Active participation of the children in shaping everyday life
- A wide range of experiences through educational offers in the development areas of language, thinking and social competence
- Free exploration seasons
- Experiences in nature and in the Kita's own garden/yard
- Need-oriented and age-appropriate care and support in hygiene
- Varied, healthy and balanced nutrition, regular eating situations with various possibilities for self-determined learning and participation
- Rest periods that are oriented to the individual sleep rhythm and the needs of the individual child

In the evening pick-up time the parents are informed about their child's personal experiences and the course of the day and the families are bid farewell.

Cooperation with the parents

The Familycare Basel daycare centers live the partnership with parents and children in a variety of ways. In order to strengthen the child in the best possible way, parents and educational staff are in close contact. Regular exchanges, daily conversations between door and window, status reviews and various events contribute to a trusting relationship and create transparent cooperation for the benefit of the child.
