

Kita Familycare St. Johann

The Familycare St. Johann daycare center is located in a spacious, listed Art Nouveau villa in the spacious St. Johannis-Park, close to the Rhine banks. At the time, the park was specially designed for families with children and offers a large playground, plenty of open space and bathing facilities in summer. The comfortable rooms, optimally equipped to meet the children's needs, are divided into various play, activity and rest areas. The Familycare St. Johann daycare center was awarded the title "Burzelbaum-Kita" as part of a project for more exercise and healthy nutrition. The Kita Familycare St. Johann was also a participant in the pilot project "Children's participation in Basel daycare centers" run by the Department of Education of the canton of Basel-Stadt. Like all Familycare Basel Kita, the Familycare St. Johann Kita and its entire staff stand for high quality pedagogical values and look after the children according to recognized educational principles (refer to [pedagogical concept](#) in German).

Acclimatization

The Familycare Basel daycare centers comply with the Berlin "Infans" familiarization model for the settling-in of new children. The child, as well as the parents, slowly get accustomed to the pedagogical caregivers, the structures and the initially unfamiliar environment. The child builds a secure bond with the new caregiver and can thus feel safe and at ease in the daycare center. Familiarization is important in order to build trust between the parents and the caregiver; it promotes good cooperation, creates transparency and openness.

Daily schedule

The day in the Familycare Basel daycare centers begins with the arrival of the children and the morning exchange with their parents.

Important components of everyday life in the daycare centers are:

- Recurring rituals
- Active participation of the children in shaping everyday life
- A wide range of experiences through educational offers in the development areas of language, thinking and social competence
- Free exploration seasons
- Experiences in nature and in the Kita's own garden/yard
- Need-oriented and age-appropriate care and support in hygiene
- Varied, healthy and balanced nutrition, regular eating situations with various possibilities for self-determined learning and participation
- Rest periods that are oriented to the individual sleep rhythm and the needs of the individual child

In the evening pick-up time the parents are informed about their child's personal experiences and the course of the day and the families are bid farewell.

Cooperation with the parents

The Familycare Basel daycare centers live the partnership with parents and children in a variety of ways. In order to strengthen the child in the best possible way, parents and educational staff are in close contact. Regular exchanges, daily conversations between door and window, status reviews and various events contribute to a trusting relationship and create transparent cooperation for the benefit of the child.
